

# Goodstart's COVID-Safe plan

**Goodstart will continue to maintain industry-leading safety and hygiene practices over the coming weeks and months.**

**Two-hourly touchpoint cleaning**

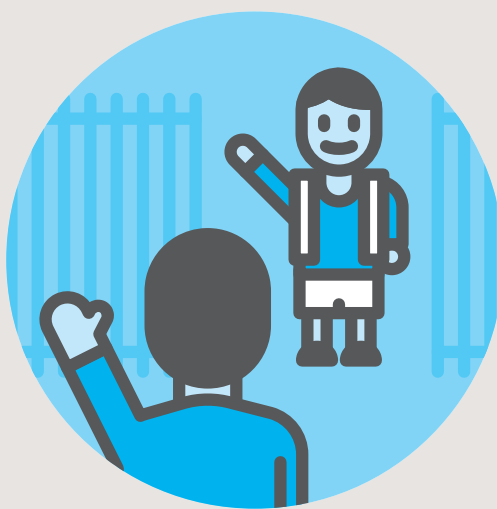

**Health & wellness checks**

**Limited visitors**

**Flu vaccinations for all staff and contractors**

**Reduced face-to-face time between adults**

**Please do not bring your child to the centre if sick**

Thank you for continuing to respect the health and safety of our children and educators. Please observe appropriate hygiene and social distancing practices in and around our centre.
