Physical environment

Policy statement

Goodstart Early Learning (Goodstart) is committed to providing safe and comfortable physical environments at its centres that actively promote children’s wellbeing and learning and development outcomes. The design and location of our premises will be appropriate for their purpose. Our environments will promote children’s competence and independent exploration, and enrich children’s learning and development through play. We take an active role in caring for the environment and will contribute to a sustainable future.

Facilities management

In the management of its centres, Goodstart is committed to ensuring that all outdoor and indoor spaces, buildings, furniture, equipment, facilities and resources are suitable for their purposes. Premises, furniture and equipment must be safe, clean and well maintained. Resources, materials and equipment are sufficient and appropriate, and support the flexbility of our children's programs and experiences.

Sustainable practices

Sustainable practices will be embedded in the operations of our centres, including the use of environmentally friendly products where practicable. Children are encouraged to respect the environment and participate in experiences that build their understanding of the responsibilities necessary for a sustainable future.

Related documents: NQS3 Sustainability Guideline.

Learning environment

We offer children and families inviting, flexible, inclusive and interactive indoor and outdoor environments at Goodstart centres that provide opportunities to engage with both built and natural elements.
